discussed general employment at the station unit as a whole. The applicants were encouraged to apply at <http://salemmaedia.com> . The following job fair was attended:

May 22 2025 – City Career Fair Productions, New York, NY
Oct 10 2025 - Pace University, Pleasantville, NY
Oct 23 2025 - NAB show job fair, New York, NY

An additional fair was attended by non-hiring authority where promotion of the station employment opportunities were provided:

Sept 18 2025 - Hunter College, New York, NY

B. Management Training: The Salem VP of Human Resources conducts monthly HR Network Training sessions via teleconference and Powerpoint presentations, which includes review of EEO policies and compliance. The SEU's Office Manager participates in these training sessions each month and then routinely communicates with the SEU's General Manager and other management team members to keep all employees apprised of the company and SEU's policy on equal employment.

C. Internship Program: WMCA and WNYM hosted one intern during this reporting period from the general public and from students currently enrolled in Hofstra University. The intern observed and worked alongside various staff members in the programming department. The program introduced college students and interested community members to the field of broadcast program creation and the workings of a professional radio environment.

D. Community Events to Inform Public of Broadcasting Employment Opportunities: On 01/20/2026 and 01/27/2026 WMCA & WNYM sponsored and organized two in-person events held to inform the public about employment in broadcasting. The events were sponsored by, organized, and promoted by the station employment unit (SEU). At these events, the SEU announced job opportunities and provided information on applying online for those positions. Additionally, the SEU conducted open conversations with selected managers and answered questions about station employment. The participants discussed the job opportunities available in broadcasting.
