Job Description

Position Overview:

Salem Media Group is a leading broadcaster of religious programming and informative talk. The company owns and operates commercial radio stations in major markets throughout the United States. The Tampa market for Salem Español is looking for a well-organized, detail-oriented individual to join our team. The ideal candidate will be responsible for operating in-studio digital boards.

Role and Responsibilities
- Operates a tight board for live local programs
- Monitors satellite delivered syndicated programming
- Provides voice work for commercials and promos
- Assists with other production as needed

Qualifications and Education Requirements
- High school diploma
- 2 years experience in the radio industry is preferred.

Required Skills
- Ideal candidate should be a self-starter who is highly motivated, dependable, energetic, and displays professionalism and enthusiasm when representing the company.
- Must have Adobe Audition experience as well as prior experience working with digital audio control boards, ISDN lines, XDS and Unity Satellite Receivers. Knowledge of Salem's Rivendell Automation System is a plus.
- Must have good communication and interpersonal skills
- Must have basic computer skills
- Must be able to multi-task and work in a fast-paced environment
