## Job Opening

### Salem Media Denver offers an exceptional opportunity for a Chief Engineer!

Salem Media Group is the leading U. S. radio broadcaster targeting audiences interested in conservative News/Talk and Christian and family-themed programming. We offer a competitive salary based upon experience and a comprehensive benefits package including paid holidays and paid vacation.

#### Position Summary:

Our radio cluster is currently searching for a Chief Engineer who exemplifies leadership, achievement and team spirit. Performs equipment maintenance and installation activities in the radio recording studios and live broadcast control rooms to ensure technical quality of sound for programs originating in the studio from syndications or from remote pickup points.

#### Our Ideal Candidate:

- You are self-motivated and results oriented
- You're confident and not willing to accept average

#### Requirements:

- \* High school diploma or general education degree (GED) with additional electronic technician specialized training; five years' experience or equivalent combination of education and experience.
- \* Knowledge of RF and AM/FM Transmitters and associated remote control systems required.
- \* Knowledge of and ability to test and ensure back-up power generator systems operational. Support IT Team with troubleshooting and installations.
- \* Wide Orbit, Axia livewire System, repair of audio broadcast consoles and audio recording equipment, and TELCO systems and remote transmitter monitoring equipment is a plus
- \* Knowledge of directional and non-directional AM Arrays
- \* Candidate must be available to work nights, weekends and holidays on occasion.
- \* Takes transmitter readings and maintains transmitter logs. Monitor overall technical operation of the station(s) to ensure compliance with FCC, Federal, EPA, OSHA and State and local regulations.
- \* Maintenance of equipment at facilities.

\* Base salary begins 90K 401k and benefits.

Come see how Salem is DIFFERENT and why we've been awarded as a "Great Place to Work" and as a "Best and Brightest" employer." Salem Media Group is an equal opportunity employer.
